Career

Your career must offer you both intellectual stimulation and diversity. You like to do many things at one time, and probably will have two professions.

Occupation

Your inherent push and go are very useful acquirements. Whilst others are debating, you are acting, and it is the early bird that gets the worm. You should cast away all thought of taking up a profession or occupation that requires polish and gentleness. You are far too practical to bother about surface qualities. They irritate you. You are a person of action and prefer rough and ready efficiency to anything else. You could play the part of an explorer admirably, both in real life and on the films. You would be far better as a surgeon than as finance consultant. At any job where skill in making things was needed, you would succeed. Engineering may be cited as such a job. There are many occupations at sea which would suit you extraordinarily well. As an aviator, you would display the requisite pluck and daring. There are endless fields for your energies in work connected with land. Not only would you make an excellent farmer, but you would do equally well as a surveyor, a mining engineer and a prospector.

Health

You are well favoured as far as your constitutions are concerned. But, you are liable to suffer from nervous disorders and indigestion. The first is the direct outcome of your highly sensitive nature. You become exhausted more quickly than the average person and the life you enjoy does not help in the matter. Digestive troubles result from self-indulgence. Too much is eaten. What is eaten is too rich and, very often, it is eaten too late in the day. There is a tendency to corpulence in later life.

You set much store on a home of your own, and marriage brings this into being in a manner which you consider more perfect than any other. Your home will be your God. If you are a woman, you will say, when there will be your children because you were never so completely happy until they came. You will marry for love, naturally, but as the years roll on, you will think more and more of your partner, until a time will come when you cannot bear to be separated even for a day or two.

Finance

The question of finance will be a very peculiar one for you. There will always be a likelihood of considerable uncertainty and fluctuation in money matters, but you will, at times make large sums of money by your inventive ideas. You will be inclined to live in a land of dreams and illusions and meet many disappointments. You should avoid all speculations and gambling of every kind. In money matters for you, the unexpected is more likely to happen than the expected. Original ideas and plans will be born in your mind not inclined to fit in with other people's views. You will make money by unusual methods, you could become an inventor or an unconventional professional. In many ways, in inventions or businesses connected with risk or chance, you will be lucky. || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Seventh house from Lagna, while in the Moon chart Mangal is placed in First house.

Hence Mangal Dosha is present in Lagna Chart as well as Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
